
17th Annual Rabbits Unlimited Ltd Event

Saturday, Feb 2, 2019

Circle B

6261 Hwy 60, Cedarburg, WI 53012

Thank You to all who generously donated a raffle prize, cash or volunteered your time last year. Your generosity helped make the 16th Annual Event a tremendous success by raising $58,000 directed to help fund research, provide educational scholarships for students with MS or have parents with MS and support programs that help provide disabled hunter assistance or adaptive home equipment. To date, we have donated over $418,000 to MS Society made possible by you and many others.

Our annual event will again raise funds for MS Multiple Sclerosis and your sponsorship or donation will help us fight this disease.

Thank you for considering as we "Hunt to Cure MS"

Rabbits Unlimited Joins International Alliance to Fight MS

Over the past 16 years we have dedicated a majority of the funds that were raised to support research in to finding treatments and ultimately a cure for Multiple Sclerosis. During that time tremendous advances have been seen in the area of *relapsing remitting MS,* the most commonly diagnosed form. However little advancement has been seen in treating the most severe form *primary progressive MS.*

Every day people with *progressive MS* lose some of the ability to move, think, and connect with those they love and the greater world. While there are over 15 approved disease-modifying treatments for *relapsing forms of MS*, there is currently only one approved disease-modifying or effective symptomatic treatment for *progressive MS*. None of these treatments provide a cure. This situation is unacceptable, but due to the complexities of the disease and diverse nature of the necessary research, gains in understanding and treatment are a slow and difficult process.

Following the 16th Annual Rabbit Hunt in February 2018, the organization was approached to join a collaboration of International Multiple Sclerosis Societies, Worldwide research groups, Industry specialists and a select number of Foundations and Fund Raising groups to increase the efforts to develop better understanding and treatments for *Progressive MS*.

Rabbits Unlimited accepted this challenge and joined the ***International Progressive MS Alliance*** in May 2018. This came with a significant monetary commitment of $110,000 which we have partially made good on through funds raised in 2018.

- Our goal remains to see a world free from *Multiple Sclerosis*
- Our commitment is to raise funds to lead the effort in advancements in treating *Progressive MS*.
- Our challenge to everyone who has participated and anyone who can is to raise our level of support

Our goal this year is to raise **$60,000** to further the commitment to the International Progressive MS Alliance as well continue to support programs that assist those with MS including Educational Scholarships.

We encourage and hope you will join us in this new challenge in

"The Hunt to Cure MS"
